Challenge: Engage in building trials, assembling intricate LEGO structures against time.

Connections: Reading Retreat, Greenhouse Garden

Location: Greenhouse Garden

Description: A tranquil indoor garden space for relaxation and interaction with nature.

Challenge: Identify plants and mimic bird calls for bonuses.

Connections: Reading Retreat, Brick Barrow

Location: Build Block Boulevard

Description: An inventive space bustling with LEGO enthusiasts engaged in competitive building.

Challenge: Meet creative building challenges by crafting structures from LEGO bricks based on rolling dice outcomes.

Connections: Reading Retreat

Gameplay Mechanics

Players roll a dice to navigate between key locations, facing site-specific challenges. Each character has special abilities influencing challenge outcomes. Players take turns rolling the dice, moving between locations, and completing challenges to proceed. Collect items and knowledge to aid in overcoming obstacles.

Winning The Game

Complete all challenges across the four locations and successfully gather all four mystical artefacts hidden within each location to be crowned the Master Storybuilder of the Realm.
